PATTERN RADIUS OFFERINGS

Introducing **ARC**

This curvi-linear fixture blends unique forms with the functionality of delivering light to any space. The Arc has an infinite amount of custom shapes for standard circular fixtures to add a clean architectural detail to any project. It offers several housing sizes, including 3" or 4" wide apertures combined with fixture heights ranging from 3" to 6" and multiple light distribution options. The Arc fixture not only offers an ultra-thin aircraft cable mounting system, rigid stems and surface mounting, but also a recessed option for varying types of ceiling materials.
