Alumina Series  
linear slot luminaire

# Alumina

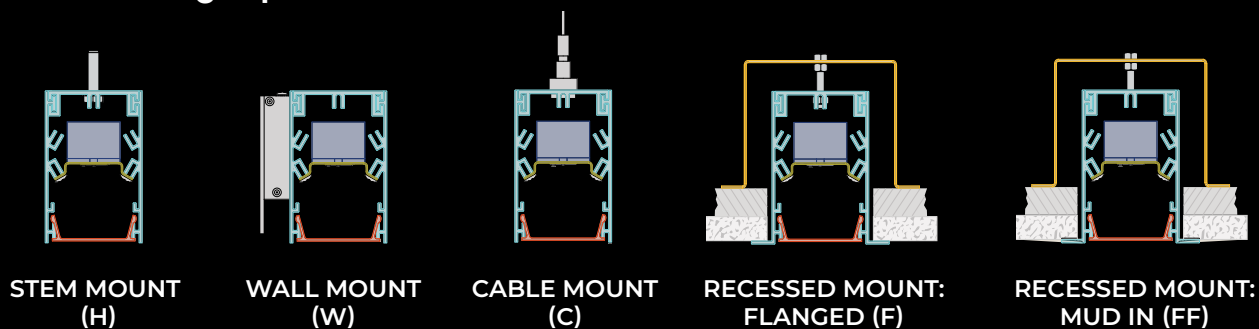

# Contemporary and Flexible

Alumina is a high-performance linear slot fixture with a minimal, contemporary design and premium fit & finish. Alumina can be configured in linear ribbons of illumination or as varied and complex linear patterns traversing from horizontal to vertical planes. With the ability to configure to exact-measurement lengths, Alumina is the perfect solution for even the most complex spaces.

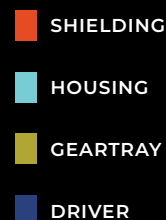

## Mounting Options

## Profile Options

Alumina is a uniquely flexible matrix of rectilinear profiles. Available in a number of dimensions, Alumina offers five mounting methods and fits seamlessly into any space. Alumina can be flanged or flange-less, suspended or recessed, or even mated with Arc, our family of custom curvature luminaires.
