

Reflection Linear Suspended

Reflection Series
rectilinear luminaire

Reflection

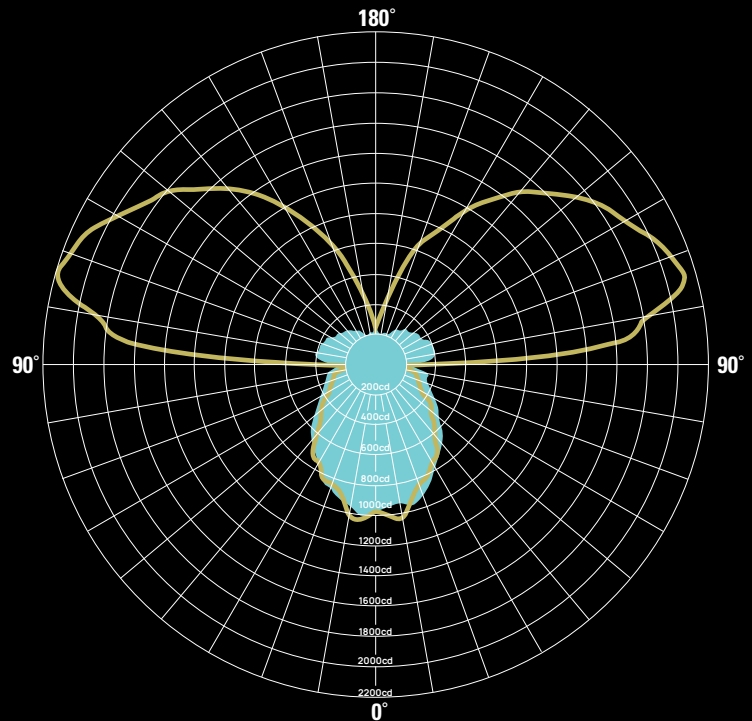

Performance and Value

Reflection sets a new benchmark in value and performance. With a classic, minimal form Reflection offers high performance in an economical package, unrivaled by competitors. Available in direct, indirect and asymmetric configurations, Reflection is the perfect complement to any interior space.

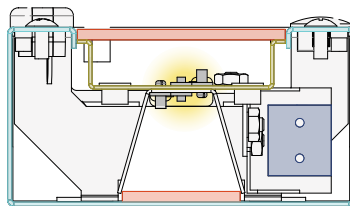

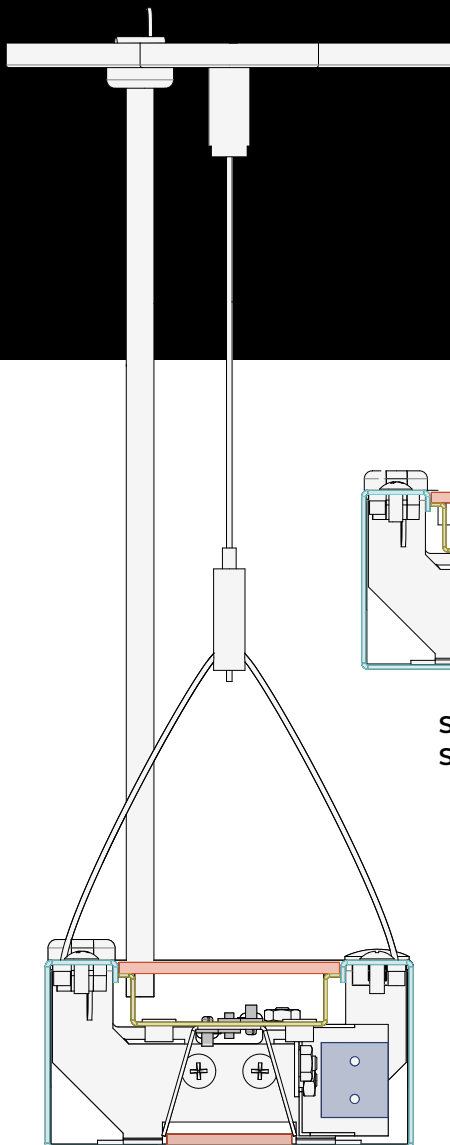

Versatile Distribution Options

Utilizing the latest LED system components, Reflection 4 provides numerous distribution configurations and output platforms.

From conception, the Reflection 4 has been designed to be easy to specify as well as install — perfect for open office spaces.
